FREE WORKSHOP

To book:

<http://www.cambridgecvs.org.uk/training-events>

or ☎ 01223 464696

This workshop will help committees or Boards consider what policies, procedures and guidance/ good practice they need to put in place to ensure their group is compliant with UK law and regulators.

By the end of the session you will be able to:

- Carry out a health check on their group
- List the key legislation & regulators
- Identify what policies are required
- Explain how policy should be adopted and periodically reviewed
- Describe the advantages of carrying out good practice
