

**Do you have some spare time, and
looking to join an existing group?**

**Are you the kind of person who has
lots of fundraising ideas?**

If so you are just the person we need for our Friends
of Whittlesey Library committee.

We are a small committee who is actively seeking
new members to assist us with the planning and
delivery of events taking place in the Library.

To find out more please speak to a member of staff in
the Library, or alternatively email
