Roy Gerstner
Town Councillor – St Mary's Ward South.
13 Ashline Grove, Ramsey Road,
Whittlesey.
PE7 1DW

Dear Neighbour,

My apologies for a slightly delayed update on the local elections held on Thursday 02nd May and the results on the 03rd May 2019.
(I did attend the count in Wisbech).

I am pleased to inform you that the small ward of St Marys South which I contested was a successful win and I would like to thank all those 90+ who voted for me – a local who has lived in this area for over 40 years.

As you maybe aware from my election leaflet (before it was binned)

I attend many meetings every month and if I am unable to do so – I try to have a representative go on my behalf. These meetings are at my own expense, normally reporting on my website/blog which has been running for some 8 years and has nearly a '**million**' hits. It is the only place locally where you will see reports and community information updated almost daily.

www.roygerstner.co.uk

As your elected representative – I am here for everyone, those who voted elsewhere and those who chose not to vote at all – I have and will always do my best – not everything can be solved and sometimes the answers are not what people expect – but that's life.

please turn over....

I will be attending this Wednesday night's meeting, of the AGM – Whittlesey Parish and Monthly meeting of the 'new' Town Council – again a report on what happens usually is posted on

www.roygerstner.co.uk

I do appreciate that not everyone is – e/connected, unfortunately printing and putting out newsletters is expensive, if you need to know anything specific i.e. Kings Dyke crossing for example – then please give me a call.

Your District Councillor for St Marys and St Andrews is Cllr David Mason and your County Councillor for our area is Cllr David Connor – both of whom I have a good working relationship over many years – we are all here to support our community.

Once again, thank you to all those who continue to support me.

Declaration of interests:

No payments are made and No expenses are claimed.

Chairman Whittlesey NHW (2011-19)
