Dear Sir/Madam,

**UPCOMING RESURFACING WORK – FULL CARRIAGEWAY RECONSTRUCTION**

Cambridgeshire County Council, in conjunction with their appointed contractor Tarmac, will be carrying out repair work on B1040 Ramsey Road, Whittlesey from 12<sup>th</sup> August 2019 to 06<sup>th</sup> September 2019.

Work will involve full reconstruction of the road, which will include making deep repairs down to the foundation layers. The scheme is part of a wider programme of work to improve the condition of roads across the county.

Due to the extensive nature of repairs, the work will be completed under a 24/7 road closure. The majority of work on-site will be carried out during the day, between 7.30am and 6.30pm, to ensure noise and disruption is kept to a minimum.

Ramsey Road will be closed to all traffic from the level crossing to the DK Harris Yard.

As with all our resurfacing work, the timings and dates for schemes like this are weather dependent and can change at short notice. We thank you in advance for your co-operation and understanding during this work. If you require any further information please do hesitate to contact us via the details above.
