Welcome to the Fenland Community
Safety Partnership Advice Chain
Leaflet.

This leaflet has been designed for
everyone living or working in Fenland
as a handy resource in times of need.

Empowering Communities

We believe that support from a local
community can make a huge difference to
someone's life-whether its suspecting they
need further support and directing them to it,
reporting suspicious activity, or helping them
through tough times as friend, its important we
all work together. There is a huge amount of
support available in Fenland - don't be afraid
to ask for help.

Domestic Abuse

The links and numbers below can support you if you have been a victim of domestic-abuse - abuse comes in many forms so don't suffer in silence - speak up and report it to get the support that can change your life.
