Looking after our community

Last Wednesday Colin @ The Falcon produced a (so I am told) very nice (Free) Cottage Pie. Delivered by Deborah S and her able team of volunteers to 70+ senior and less able people in our community.

I arranged for 14 of my near and not so near neighbours, the eldest 98 years young to benefit from this wonderful initiative by Deb and her team. Excellent sponsorship by several individuals (inc myself) and a large donation from Whittlesey Rotary.

The exercise will be repeated again this Wednesday and hoped to carry on in these uncertain times.

If you know of someone who may benefit see details above....

This coming weeks delight is Chicken Casserole...
