

COUNTY COUNCIL ELECTION 6th MAY 2021

David CONNOR

For Whittlesey South

REASONS TO VOTE FOR **DAVID CONNOR**

David Says:

"I have been honoured to serve as a District Councillor for Doddington for 10 years and as a County Councillor for the last 8 years.

My aims if I am re-elected are to continue to lobby for the Minor Injuries Unit at Doddington Hospital to re-open when the Covid-19 pandemic has been beaten. I will continue to fight against the development of bungalows in Wood Street. I have been the lead advocate for traffic calming in Pondersbridge which is proving highly successful and has been supported by many residents. I will be working with other councillors to try to get a new play area.

In the last eighteen months I have been working really hard in Turves to improve the lives of residents with new road signs and markings.

I have been pushing to get the dyke cleared at Red Barn to alleviate local flooding issues. I was successful in obtaining funding for an MVAS speed camera and will be working to be able to move the camera around Turves to improve its impact.

In Whittlesey I have been heavily involved in the new Kings Dyke Bridge and am a member of the Kings Dyke Advisory Board. We are hopeful that the project will be completed in 2022. We have managed to get New Road Primary School upgraded with a wonderful new extension providing the nursery and new classrooms.

In Benwick I have been instrumental in obtaining some £90,000 in improvements to road conditions on the Forty Foot. This is an ongoing issue and I will be lobbying for more improvements as needed.

Hopefully Eastrea will be getting some yellow lines on the junctions of Wype Road and Thornham Way where they are much needed. In Coates we have managed to get an MVAS speed camera in a bid to slow the traffic there."

- David Connor

CAMBRIDGESHIRE COUNTY COUNCIL ELECTIONS 6TH MAY 2021

WHITTLESEY SOUTH

DAVID CONNOR

Level crossing to be replaced by new bridge

Must keep this unit open for all in Fenland

Traffic Calming Pondersbridge

Town Councillor Julie Windle and Prospective Town and District Councillor Jason Mockett at New Road Primary School

VOTE DAVID CONNOR

DAVID'S TOP PRIORITIES:

- 1** Get King's Dyke Bridge finished and operational.
- 2** Give full support to get a relief road around Whittlesey.
- 3** Installation of average speed cameras through the villages of Coates and Eastrea to Long Gravel.
- 4** Continue to lobby for better road surfaces and paths in my division.
- 5** Keep open the Minor Injuries Unit at Doddington Hospital.
- 6** To work with the police to reduce all rural crime.
- 7** To continue to work tirelessly to improve resident's lives in Whittlesey South Division.
- 8** Working with the Mayor James Palmer and other County and Fenland Councillors to get more trains stopping at Whittlesea Station.

ABOUT DAVID CONNOR

David has lived in Fenland all his life.

He had a successful scrap metal and car breaking business in March from which he has now retired and consequently now has time to concentrate on helping the community and local politics.

David divides his time between County and District Councils and March Town Council, working hard in these roles he is proud to hold.

He is currently Chairman of both Cambridgeshire County Council and Fenland District Council Planning Committees and a member of various other committees for both authorities.

When he has time he likes the odd round of golf and messing about with steam engines. He has promised his wife Sharon that he will keep to the one steam engine!
