To Whom it may concern

**The Town and Country Planning (Environmental Impact Assessment) Regulations 2017: Regulation 25 – Further information and evidence respecting environmental statements  
The Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)**

**Proposal:** Application for full planning permission for the Importation, storage, processing including use of trommel, picking and recycling of 250,000 tonnes per annum of incinerator bottom ash (IBA) and 50,000 tonnes per annum of construction and demolition (C&D) waste, for exportation for use as incinerator bottom ash secondary aggregates (IBAA)

**Location:** Former Saxon Brickworks, Peterborough Road, Whittlesey, CAMBRIDGE, PE7 1PD

**Application No:** CCC/21/024/FUL

We previously notified you about the planning application described above and/or you have made comments on it. The applicant has submitted additional environmental information under the Town and Country Planning (Environmental Impact Assessment) Regulations 2017: Regulation 25, that are now available for comment. The application documents are available online at <http://planning.cambridgeshire.gov.uk> by entering the relevant application reference number CCC/21/024/FUL.

If you wish to inspect copies of the application, the plans and other documents submitted with it including the further information at: Cambridgeshire County Council, Shire Hall, Cambridge, CB3 0AP by appointment (Covid Rules permitting) by contacting 01223 715518).

The Whittlesey Incinerator Bottom Ash Construction and Demolition Material Recycling Facility Environmental Statement January Feb 2021 may be obtained for £125 from Peter Bond Planning Ltd, 42 Leicester Road, Marfield, LE67 9RE.

**Please note: all previous correspondence and representations will be carried forward, so comments are now invited in relation to the above Regulation 25 information only.** If you wish to change your original

comments as a result of the additional environmental information, or make new comments on the Regulation 25 submission, please let me have them in writing or by email to the address at the top of this letter by **midnight on 20 July 2021**. If we receive a large number of comments there may be a delay in acknowledging them; please be patient.

It may not be possible to take late comments into consideration in determining the application. As detailed above, please note that all previous comments submitted will still be considered when the application is being determined, so there is no need to re-submit your original comments.

All comments will be placed on the public file and will be summarised in the case officer's report. They will also be made available in full for elected Members to view ahead of any decision being made by the Planning Committee. In the event of an appeal against the refusal of planning permission your representations will be forwarded to the Planning Inspectorate and the appellant.

If after viewing the new documentation you have any questions, please contact the planning team on 01223 715518.

Yours faithfully

Rachel Jones  
Development Management Officer
