

Please see message below from Fenland District Council.

Our small NHW COVID Team are still supporting a number of people, last week I had a call from a lady with 3 children and a dog, wanting 'Food' – normally I would pass them onto the Whittlesey Food Bank, but as they were isolating they could not go out.

Within an hour I'd made contact with one of the committee members of the Food Bank, and the lady was delivered food and essentials within another hour.

Good afternoon all,

Thank you all for your amazing efforts over the last 16 months in helping Fenland District Council respond effectively to the pandemic. Together you have all contributed to helping to support our communities, responding to their concerns, and offering practical support where required to ensure the most vulnerable were protected appropriately. We cannot thank you enough and you should be proud of what you have achieved.

As of the 19th of July 2021, you will be aware of the removal of almost all of the remaining coronavirus restrictions however COVID hasn't gone away so it's important that we all remain cautious and follow the Government's latest guidance for staying safe and preventing the spread, which can be found on the GOV.UK website.

The COVID-19 hub continues to operate at FDC and has recently been integrated into the My Fenland team who take calls regularly as part of their day-to-day tasks. The contact details remain the same and if you have any queries or concerns relating to Coronavirus, please provide [covid19@fenland.gov.uk](mailto:covid19@fenland.gov.uk) email address or alternatively call 01354 654321.

If you have ceased providing any of the services that you had been providing through the pandemic, please let us know, so that we can give correct information to the public.

We would also appreciate your feedback regarding what you feel our communities need at this current time so please do not hesitate to reply to this email with your thoughts and suggestions on this matter.

Once again THANK YOU from us all at Fenland District Council and we look forward to continuing to working with you in partnership in this next chapter.

Kind regards,  
Fenland COVID-19 Community Hub
