

Golden Age Fair @ The Big Bash on Sunday

I would like to pass on my thanks to every person who helped make our first Golden Age Fair in over 18 months. It really was great to see you all again in person. I am incredibly grateful for the support we received on the day, and the happiness we felt that our partners were willing to give up some valuable family and rest time to come back out into the community again. This cannot have been an easy decision to make, but the difference you would have made to people in need would have been priceless

I would also like to thank Cllrs Clark, Davis and Mayor for their invaluable help, and it was a pleasure to meet the High Sheriff of Cambridgeshire and explain a small amount of what the Golden Age does for the older residents of Fenland, and of course the obligatory photos were taken.

I would also like to offer our thanks to the overall event organisers, Rob Windle, on what appeared to be very well attended.

Ash and Sophie were literally FANTASTIC, and I think spent the whole time running around, setting up, putting up (and down) various promotional materials, greeting and guiding people and so much more. Great events such as these always have a great team working with them, and that is what our Councillors and Ash and Sophie do, at all of our events.

Finally, I have to confess I made a fairly big error by not producing any feedback forms. I managed to ask some of you lovely people to drop me an email, but this is the 'official' request for some feedback. form email response. I apologise for not having the forms available on the day.

And finally, I thought you would like to see a picture of some of our Members of the Golden Age Team with the High Sherriff in Cambridgeshire
