## Public Consultation

The Fenland Walking, Cycling and Mobility Aid Improvement Strategy (Version 1).

This strategy includes core policy principles relating to walking, cycling and mobility aid improvements adopted for Fenland.

It includes a large number of ambitious recommendations for route improvements in our four market towns and across the region.

Please visit **[fenland.gov.uk/consultations](https://fenland.gov.uk/consultations)** to read through the strategy information and let us know your views.

The survey is available online and will remain open from **Monday 22nd November 2021 until Friday 28th January 2022.**

Appointments to discuss the strategy with the FDC Transport Team are available via TEAMS or telephone.
