

The BIG BASH

From Mr Robert Windle.

After last year's successful Big Bash, this year's main event will take place on Sunday 26th June at the Manor field and Conference Hall. The previous Sunday (19th) will see a Whittlesey Town Council Music on the Buttercross event. This year I would like to join the two events together by having activities from Monday 20th - Saturday 25th. Thus, becoming Whittlesey Big Bash Week. During that week not only is it the longest week of the year light wise, but it is Cambridgeshire Day on the Thursday and Armed Forces Day on the Saturday (25th).

I therefore ask if your organisation would like to host an event or events during that week, it could be one of your regular scheduled meetings / events or something special that might raise awareness of your group that people in Whittlesey or the Villages can attend ideally free as a taster or nominal cost. The activity / event could take place in Coates, Eastrea, Turves or Pondersbridge as well as Whittlesey, it could be a coffee morning, bingo, a talk by a guest speaker a learn to sing session, football coaching or basically anything that can draw people in so that we have a programme for all ages and abilities.

Your organisation would be in charge and responsible of your session(s), I would coordinate from a what's on perspective and give due publicity as best as I can.

The Whittlesey Festival is not taking place this year so this will be the major event for the summer for our community. Any thoughts are welcome.

Any groups wishing to take part on the Sunday the 26th please confirm, subject to final confirmation the timings will be, opening at 12.00 noon finishing on the field at 5pm with a family disco following indoors.

Please come back to me by Monday 21st March to accept or decline these opportunities.

You may also be aware that myself and my wife Julie host a breakfast radio show 8-10am Monday to Friday on Fenland Youth Radio we are always delighted to hear from any group who would like to promote an event or talk about their club, just send me a message if you would like free publicity. To listen to the shows either download the app Fenland Youth Radio to your phone or tablet or "Alexa enable Fenland Youth Radio" or go to www.fenlandyouthradio.com

Kind Regards
