

PHOENIX YOUTH COMMITTEE

Pitch to Living Sports To Request Funding for our Glow Sport Project

WHY DO WE NEED A DIFFERENT KIND OF SPORT PROJECT ?

- We need more things to do in Whittlesey for 11 – 18 year olds.
- ALL sport projects in Whittlesey are linked to 1 sport E.g:- Football, Swimming, Netball clubs.
- People our age have missed out on a lot during COVID. This project will get people together and get active. But ... in an informal and fun way.
- It will be good for our physical and mental health.
- A lot of young people our age don't attend specific sport projects. They don't feel they are good enjoy to play for a club or can't dedicate as much time as the clubs expect.

WHAT DO WE THINK WOULD WORK?

- We would like to set up a monthly Multi-Sports Glow Session:-
 - This will run on a Friday Night, 7-9pm. (monthly)
 - Each month we will do a different sport.
 - ALL session will have a glow in the dark element with Banging Music !!
 - The sessions will be Free.

WHAT SPORTS WE COULD OFFER

Sports we feel could work :-

- DodgeBall
- Hockey
- Football
- Netball
- Rounders
- Volley Ball
- Curling
- Tag Rugby
- Tennis,
- HITT Session
- Crazy Games Night.
- As a final session we would like to try and organise trip out to either Glow Golf, negotiate a sessions at The Manor Swimming, Hammer Throwing (This to be decided).

HOW WILL WE DO THIS?

- Our Youth Workers at Phoenix Youth Provision have agreed that once a month we can dedicate the session to a sports project.
- They will help us organise:-
 - Venue Hire (If we don't feel Scaldgate is the right building). PYP will cover these costs.
 - Equipment
 - Hire in tutors. E.g:- for HITT we will need someone qualified.
 - Risk Assessments
 - Booking Forms / Memberships Forms for people taking part.
 - First Aiders

EQUIPMENT WE WILL NEED TO BUY

- Uv light – ESSENTIAL !!!!
- Glowsticks
- Sports Bibs
- Glow in the dark face paint
- Extra Sports Equipment – Unihoc, Footballs, Volley Balls, Nets, Goals.

For delivery **TOMORROW**, order in the next **7 HOURS, 10 MINUTES, 23 SECONDS**

BeamZ COB30UV UV LED Par Can
(FFA5115)

£82.99 ✓ IN STOCK ★★★★★ (0 Reviews)

2 Year Warranty & 60 Days Return Policy Included

HOW WE WILL KEEP IT GOING AFTER YOUR FUNDING?

- The staff have agreed if it is successful we can continue to run the sessions monthly with their help.
- The funding you provide will help us buy a lot of the equipment we need to run the sessions long-term.
- Our Phoenix Youth Committee helps with fundraising. We can hold stalls at the Whittlesey Festival and Christmas Bizarre to raise money for the club / projects.
- A lot of us are reYr 11's and are about to do our exams. Once this is out of the way some of us will have more time. Some of us would like to train up as coaches to deliver multi-sports. Helping with the coast. Our Youth Workers are also happy to do this with us.

BREAKDOWN OF MONEY WE NEED £500

Pack on 100 glowsticks is around £20 on average

20 football / sports training bibs £40

Glow in the dark face paint 8 for £10

Balls, unihoc kits, goals, nets £265

Uv lights x 2 = £165

WHAT WILL PEOPLE GET OUT OF ATTENDING THE GLOW MULTI-SPORTS

- Chance to be active and have fun.
- Sport is good for your physical and mental health.
- Chance to make friends and be more social – really important after covid.
- It is something positive to do, can help keep people out of trouble.
- You can turn up when you want ‘dip in and out’.
- Not really competitive ... we want to target people who don't always join sport clubs etc.
- Because it is organized by young people, it will be more appealing. We have spoken to loads of people at school and they all think it is different and a good idea. They like the idea of music to sports and the glow in the dark theme. (As a committee we have spoke to 75+ young people)

THANK YOU FOR LISTENING

Do you have any further
questions you would like to
ask us?
