So September was a busy month for lots of you, with promotional events throughout Heritage Weekend also being held. Congratulations to Chatteris in Bloom and Benwick In Bloom on their Anglia in bloom awards, receiving a Gold and Silver Gilt award respectively.

October looks set to be just as busy and I look forward to seeing you at the Celebration Evening.

For those of you who take part in Halloween activities, I hope you have a spooktacular time.

### September Highlights

Members of staff from CEVA logistics in Wisbech took part in a litter pick for World Clean Up day.

The Friends of Wisbech General Cemetery raised £36 for Macmillan Cancer support and recruited a new volunteer from their open day event held to coincide with Heritage weekend.

The Friends of March Railway Station also held an event on 10th, during heritage weekend, and part of the day's activities included the unveiling of the newly constructed Platform 2 model created by the Community Model Railway group. The railway was up and running but as a mark of respect to Queen Elizabeth II, the only train to run on the tracks was a model of the Royal Train.
