

ESOL Evening Classes Online

We are starting new ESOL classes online in the evenings from January! If you are interested to join our new groups please register on one of our Skills Check meetings. Our Skills Check is not a test! You will be able to talk to our friendly staff to find the right course for you. We will ask you about the courses you are interested in and will help you to complete a few short tasks to see what would be the best choice for you.

Please join us either on the 12th or 16th January. Register as soon as possible to secure your place.
