### A VOTE FOR ME IS A VOTE FOR

- Demanding more infrastructure funding from developers looking to build in Whittlesey
- Increasing the number and quality of Whittlesey's community spaces
- Protecting our local environment and the health of residents from unnecessary pollution
- Expanding Whittlesey's sports and leisure amenities
- Investment in youth provision
- Investment in adult education and skills training
- Support for Whittlesey's community help groups

# VOTE FOR PETER BIBB

## THURSDAY 28<sup>TH</sup> SEPTEMBER

Your Independent Candidate for  
North West Whittlesey

I was a founder member and Chairman of Phoenix Youth Provision. We won awards, including "Pride in Fenland" Youth Group Award after less than a year of operating. I believe very strongly in empowering the people of our community to achieve their goals.

In my professional life I had the privilege to lead teams of PE teachers at local schools. We won awards for outstanding leadership programmes and I was asked to speak at consecutive Youth Sport Trust national conferences on the work we did on developing resilience.

I believe that this town needs a proper, integrated, affordable set of public transport options to support its development as a place where people aspire to live. Why is it for only one day a year when we have enough buses in the town?

**MY TRACK  
RECORD IS ONE OF CARING  
FOR AND HELPING OTHER PEOPLE.  
I LOVE THE FRIENDLINESS AND COMMUNITY SPIRIT IN WHITTLESEY  
AND I WANT TO CONTRIBUTE MORE TO THAT COMMUNITY**
