To Whom it may concern,

It's that time again, when we ask the community for help with our Christmas appeal.

This year, we wanted to approach things a little different and really help the people who need it, so if you have received this E mail then it's been forwarded to you so you can put together a list of the people who you'd like us to support.

We are looking to get gifts for up to 19 year olds and the elderly.

For the Elderly were thinking about putting together a box with tea, coffee, hot chocolate, sugar, biscuits, mince pies & chocolates (requests can be taken on certain things you know they like)

For the children we need to know the sex, age and intrests of the child and we were thinking a toy, Pj's, book, selection box, arts & crafts.. or anything else that people might choose to donate (we do have some already that we have collected through out the year)

For the older children we were thinking of a voucher for something they would like (or something you know they'd like or need) pjs, selection box and smellies/make up.

We would also appeal for wrapping paper and sellotape, but would leave the gifts un wrapped, as I know part of the Christmas spirit is wrapping gifts!

We would need a list of everyone by the 31st October, so we can do our appeal and collections within November and be done by December.

As you can appreciate, we would need to get it wrapped up by then, as we have family commiments and the Pantry as well.

Due to confidentiality, we don't need names and addresses, as we can pass the gifts to you to hand out, but if you could compose a list with the number and details and as long as you have the same details on your list, you would know who the relevant people are. For example

- 1) Girl aged 4, wears 5-6 year clothes, likes Peppa pig and Frozen
- 2) Boy aged 14, Has a playstation, wears mens M and likes Lynx
- 3) Girl age 16. Wears size 12-14 clothes. Likes make up & Bath bombs

Anyone with allergies, please state and we could get a free from selection box.

The bags would be labled 1, 2 & 3 etc and you would know who to hand those bags out to.

If you could send me the list to the above E mail address with your details on, so we know which bags are to go to which people.

Any questions, don't hesitate to ask.

I look forward to hearing from you.
