Wednesday 13 Mar 2024 10:00 - 12:30 We will also be running an Influencing and Social Change drop in/share session on the 10th April following this introductory session.	An Introduction to Influencing and Social Change (Online) For u3a members who would like to have more of an influence in their community and take part in social action. Influencing and social change encompasses all the work being done across the u3a to support members, and the movement more broadly, to use our combined voices and get involved in our communities about issues that matter. Interactive training will provide information about the legal aspects and risks of taking action, introduce the diverse ways to create change, share some u3a examples and provide participants with the opportunity to exchange ideas and discuss how they might take action.
