WHITTLESEY SPORTS ASSOCIATION

EPD

INSULATION GROUP

The Whittlesey Sports Association was formed in September 2018 its aims and objectives are -

To create a membership and register of Sports , Leisure and Community organisations in Whittlesey and nearby villages.

For each member organisation to promote each others activities

To mutually assist a fellow member organisation.

To recognise those volunteers who are the backbone of voluntary organisations

To liaise with local schools and gain links with the schools for mutual benefit.

To identify and promote any potential talent and to enable them to reach their potential.

To ensure all member organisations adhere to a code of conduct.

To assist with any issues that a club / group has with outside agencies.

To improve facilities .

Whittlesey and the Villages continue to grow and after the success of the editions that were produced in 2019, 2021, 2022 and 2023 we are now delighted to present a fifth edition thanks to EPD Insulation Group and The National Lottery Community Fund. We thank our generous sponsors and supporters for their continued support.
