

FRIENDS OF THE QEII PLATINUM JUBILEE WOOD

Friday 12th April at 14:00
WTC Office Chamber
Peel House
Queen Street

Would you like to help make a small difference to our Town.

The Whittlesey Town Council QEII Jubilee Wood located at the end of Yarwells Headlands is a peaceful area, where the public can walk, take their dogs and relax in a safe area.

Phase 2 has now begun, having planted some 125 trees including 20 fruit trees as a community orchard - ALL sponsored by local people/companies and WTC

Plans for more eco friendly projects include a 'Community Herb Garden' a 'Bee Hive' and more 'Wild Flowers'.

Please come and see what we and you can do for our area - No commitment – No Costs involved – Just a bit of spare time - Free Fresh Air.....
