Incident highlights

9th January 2024 at 22:25hrs, Police Control requests CCTV observations on a licensed premises at the Market Place after a report that a female has assaulted staff at the premises. The CCTV team conducts observations on the premises and locates the female outside the premises. Police Control is informed and live images are provided. Local officers attend and the female is arrested.

11th February 2024 at 01:42hrs, Police advise the CCTV team of a reported fight on Market Street between four males. The CCTV team conducts an area search of the location. The CCTV team observes two groups of males on the Market Place but no offences revealed. The group then leave the area in vehicles. Police Control is advised. Local officers attend and conduct an area search. No further action taken after no offences disclosed.

28th March 2024 at 00:07hrs, Reports across the Police Airwaves radio of a female with mental health concerns who has been reported shouting and walking towards the town centre with no clothes on. The CCTV team conducts an area search. The female is located by CCTV and Police Control is provided with continual location updates. Local officers attend and the female is detained for her own welfare.

The above data is based upon incidents and arrests recorded by Safer Fenland CCTV and data supplied by Cambridgeshire Constabulary, to provide the most accurate figures possible at the time of publishing.
