Notes:

Only Clients with a valid postcode are reported in this Dashboard

1. Clients: represents the total number of unique clients with one or more casenotes in the period. This is the main "Client Helped" figure we use.
2. Quick Client Contacts: represents total number of additional clients who did not need any in-depth advice or case management. Figure taken from a separate report.
3. Activities/Channel: this includes multiple activities/channel per client (if applicable)
