**THIS
WEEK**

Dear all,

At St Mary's this week we continue our series on the **Holy Spirit** and **spiritual gifts**. On Sunday we'll be exploring how we can better know and hear the voice of God and at Worship Wednesday this week we'll be praying for anointing with the gifts of tongues and healing. If these spiritual gifts aren't something you've had much experience of before, then you are very welcome to join us, and we encourage you to come with an openness of heart to these gifts of the Holy Spirit.

We are very fortunate across the Benefice to have a variety in our prayer and worship and every opportunity for prayer and worship that we hold together is open for **everyone** from across our Benefice and beyond. As we seek to better become the Body of Christ that we read about in 1 Corinthians 12 - alongside those spiritual gifts (!) - I encourage you to give these different services a try, that we might continue to encourage and bless one another. We would love to see you at the **Team Service** later this month and if you've never been to Worship Wednesday but are curious to experience a different style of worship, you are very welcome to come and give it a try!

God bless,

Emily

We continue to explore the gifts of the Spirit in our Sunday Worship at St Mary's and at Worship Wednesday this week.

TEAM SERVICE - 30th June

On this 5th Sunday, we'll be joining together for one team service. All are invited to join us at **St Andrew's Hall** at **10am** for a Team Service - Café Church style.

This might be a different style of worship to what you are used to - but come and give it a try!

There will be some songs (traditional as well as modern), we will pray and explore the Bible and faith together as well as share in Holy Communion.

BIG BASH is next Sunday (23rd June) on the Manor Fields and Pathway Church will now be having a stall. If anyone would like to volunteer - to help run a game or to hand out leaflets relating to Christening/Wedding and Church enquiries - then please let Emily know.

The **General Election** will be a moment for the nation to ask important questions about the future. Pray Your Part is an invitation from the bishops of the Church of England to encourage prayer and participation in the life of our nation and communities, both as voters and as citizens.

This 21-day journey of prayer and reflection (from Friday, 14 June until Election Day on 4 July) is designed for use in the run-up to the UK General Election. Each day explores a different theme, with a short Bible reading, reflection and prayer for a different aspect of our common life. You can sign up for daily election reflections from the Church of England [HERE](#).

Church Lending Library - some at St Mary's have suggested having a library of books which our church members can borrow as we look to journey the way of faith together. What books have helped you to grow in your faith? What books did you find particularly helpful when you first became a Christian? Any suggestions of books are most welcome!

Any of our church family from across the Benefice are welcome to use this library. We hope to assemble this together soon, beginning with titles such as Pete Grieg's 'How to Pray' and 'God on Mute', Rowan Williams 'Being Christian' and C.S. Lewis 'Mere Christianity' - along with a few others! Please do offer any other suggestions of what you would like to see (or what you might like to read).

On a similar note, as we loved reading a book together last summer so much, we'll be doing the same again this summer! The book we'll be reading and discussing together is Pete Greig's **'How to Hear from God: a simple guide for normal people'**.

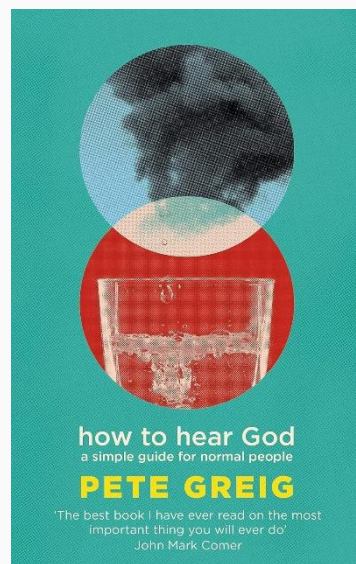

Nothing could possibly matter more than learning to discern the authentic voice of God, but few things in life are more susceptible to delusion, deception and downright abuse. When life falls apart and we need God's comfort; in moments of cultural turmoil when we need God's clarity; facing formidable decisions when we need God's guidance; desiring a deeper faith when we need God to say something, anything, to turn the monologue we call prayer into a genuine conversation.

Exploring the story of Christ's playful, poignant conversation on the road to Emmaus, Pete draws deeply from the insights of a wide range of Christian traditions. He weaves together the evangelical emphasis upon hearing God in the Bible, and the charismatic commitment to hearing God in the prophetic, with the contemplative understanding of God's 'still, small voice' within.

We'll be meeting on alternative Thursday evenings: **18th July, 1st August, 15th August, 29th August and 12th September.**

This is open to everyone across the Benefice - and beyond - who would like to explore with us what it means to hear God in our day-to-day lives of faith.

If you'd like to join us, you might like to pick up a copy of the book - available from most Christian bookstores (new) and many second hand bookstores such as World of Books/Awesome Books etc (used).
