PATHWAY SUMMER READ 24

This summer we'll be reading and discussing together is Pete Greig's
'How to Hear from God: a simple guide for normal people'.

We'll be meeting on alternative Thursday evenings:
18th July, 1st August, 15th August, 29th August and 12th September.

This is open to everyone across the Benefice - and beyond - who would like to explore with us what it means to hear God in our day-to-day lives of faith. Please email emily@pathway-church.co.uk for info!

Nothing could possibly matter more than learning to discern the authentic voice of God, but few things in life are more susceptible to delusion, deception and downright abuse. When life falls apart and we need God's comfort; in moments of cultural turmoil when we need God's clarity; facing formidable decisions when we need God's guidance; desiring a deeper faith when we need God to say something, anything, to turn the monologue we call prayer into a genuine conversation.

Exploring the story of Christ's playful, poignant conversation on the road to Emmaus, Pete draws deeply from the insights of a wide range of Christian traditions. He weaves together the evangelical emphasis upon hearing God in the Bible, and the charismatic commitment to hearing God in the prophetic, with the contemplative understanding of God's 'still, small voice' within.
