**Whittlesey Festival is looking for
volunteers to help with next year's Event
Visit us on our stand at the Volunteer Fair**

WHITTLESEY FESTIVAL 2025 VOLUNTEERS

Whittlesey Annual Festival is a not for profit town event that is part of the Fenland four seasons programme. Supported by Fenland District Council, Whittlesey town Council and a large number of the local businesses and residents. The aim is to provide a day where entertainment and activities are provided at either zero or minimum cost to the visitors, and a platform for stallholders and vendors to display and sell their produce to the visiting public.

The event has been held since 2008 growing in size year on year.

The success of the event is down to the volunteers and committees who throughout the year seek funding through advertising, donations and fund raising events.

Finding and booking performers, exhibitors and vendors. On the day support is through becoming event guides, barrier / safety duties, general marshalling and programme distribution and performer support.

All of our supporters are welcome to become partners and can attend the “Partners Committee” which is made up from the core volunteers and meets usually bi monthly from February.

From this team a Steering committee is elected to do the core activities including programme planning, council liaison, risk and safety planning, booking of performers, media and press release, co-ordinating the fund raising events and compiling the event programme guide/magazine.

The tasks for a volunteer can be tailored to your own availability and desire to be involved.

See the website and Facebook for this and next year’s event and history of the event can be found on pages 50/51 of the 2024 event guide.
