

ROTARY CLUB OF WHITTLESEY, celebrating 70 years of service to the Town

Beer festivals, Proms nights, summer fetes, human fruit machines, wildflowers and pupil innovation awards, it's been another busy year for the local Rotary Club raising money for good causes.

Service above self is the Rotary motto but members also have a lot of fun and enjoyment in the process of helping the community.

The Whittlesey branch was founded 70 years ago in 1954, so this year has been a milestone. Over that time, and with local businesses support, the group has raised significant sums of money for countless worthy local projects and charities, as well as for international causes such as 'Shelter Box' and Sights Savers.

Looking forward, the club is hoping for another big turnout at its **popular Life Education Quiz and raffle (16th November** at the indoor bowls club in Station Road).

Need to register your team

Follow the club's Facebook page for more information (see QR code) on this and other events. Life Education is a national charity and proceeds from the quiz night helps fund visits to local schools, teaching life skills and age-appropriate drug prevention advice with

scientifically equipped mobile classrooms.

The club is always looking out for new members and corporate membership is also possible.

Contact them via the QR code link or search for the Rotary Club of Whittlesey online.
