Environmental Health

The Environmental Health Team have been very busy in Whittlesey Town and the surrounding villages this month.

The Food Safety inspections completed totalled 10 with most gaining a 5 Rating which is the highest food safety management score that can be achieved. Food Safety inspections look at the food business operator's food safety management, their cleaning regime and the confidence the inspector has in the food business operator's ability to produce food which is safe to eat.

A total of 10 planning applications were received where the Environmental Health Team have to determine any likely impact on local residents from the proposed development.

Whittlesey Town Council Update

November 2024

In relation to complaint investigations in the Whittlesey Town and surrounding villages The Environmental Health received 42 requests for service.

These included 32 complaints relating to commercial noise, dust and odour, 7 complaints relating to Noise from amplified music and Barking Dogs, 1 complaint regarding odour from a domestic house, and 2 allegations of Anti-Social Behaviour.

The commercial odour number of complaints was high this month due to allegations that some operations at the Saxon Pit were causing local residents an odour problem in and outside their homes. All complainants have been fully advised regarding our complaint investigation procedures.

As we approach the end of the grass cutting season, Tivoli staff have been concentrating on ensuring the final cuts are completed on time and to an acceptable standard.

The hedge cut is going well, with many hedges and shrubs being looked at this month. During October and November, the team will be focused on ensuring all hedge work is completed.

Work completed in October includes:

- Tidy informal hedge at Barnfield Gardens, Coates
- Remove dead wood from trees in North Green, Coates
- Replace foot post on play equipment in Tower Close Play Area
- Trim hedge obstructing footpath at Station Road
- Prune roses in Garden of Rest and mulch beds
