COMMUNITY CHAMPIONS

- Community champions is Lincolnshire Co-ops way of giving back to our local communities
- We launched this back in 2013
- Since then we have helped hundreds of local charities and community groups every year
- Amounts ranging from £200 - £200,000
- Applications are open now!
- Non-for profit groups can apply online

GREEN SPACES PROJECTS

- Each year, Lincolnshire Co-op work with local communities to improve the environment
- Using our Green Spaces Project, we bring colleagues from our stores out to lend a hand
- Our aim is to improve green spaces which in turn, benefit the community

**JOIN US ON A
WELLBEING WALK!**

WELLBEING WALKS

- When health walk funding stopped, Lincolnshire Co-op stepped in to help ensure the walks could carry on running
- We provide insurances, paperwork, training and on-going support for all of our wellbeing walks
- Walks are completely free
- Open to everyone
- All walks have a social aspect too, whereby groups have a cuppa and a chat after the walks

COMMUNITY CUPPAS

- We understand the importance of bringing people together to tackle loneliness and social isolation in our communities
- This is why we support groups through our community cuppa scheme
- Community cuppas are essentially coffee mornings ran by volunteers
- The events are open to everyone and are a great place to meet up with friends, make new ones and find out what is happening locally

HEALTH PODS

- We support our communities with free health pods
- The pods pop up across the county allowing people to get free health checks and advice provided by one of our pharmacists.
- Checks include BMI, Blood pressure & Blood glucose testing

EXTRAS

- Alongside those things, we also assist with;
- In-store donations
- Fundraising in branches
- Supporting local library in Holbeach
- Sponsorship
- Supporting with new branch openings
- On-going support with foodbanks
