

## **Whittlesey Festival Is Back, Sunday 14 September 2025**

The Whittlesey Festival Committee are pleased to announce that planning is well underway for this year's festival on **Sunday 14 September**, make sure you note the date in your calendars. It's a great day out for all the family starting with a parade at 10am and closes with a superb finale at 4pm.

Some performers, including a great line up of singers, musicians, cheer leaders magicians, majorettes and dance groups have already confirmed their involvement. and you'll be able to see amazing talent displayed both on the Market Square and in St Mary's church and church yard green on the day.

Once more the streets will be lined with classic vehicles where visitors can see an awesome collection of cars from days gone by. Andy Stimson who organises this aspect of the festival said at time of going to press "The Whittlesey festival is always popular, and we can guarantee up to 150 cars for visitors and vintage car enthusiasts to enjoy on the day."

The Festival Schools Art Exhibition will again be showcasing artistic talent from local primary schools and Sir Harry Smith Community College in the Whittlesey Library, both on festival day and for two weeks after the event. All entries will be submitted via the schools.

One of the ways in which the festival organisers are able to ensure families can enjoy the day without having to worry about extra expense, is to fundraise to cover or subsidise the costs of rides and attractions. Our ever-popular fundraising Coffee Morning will be on Saturday 07 June at Childers with all proceeds going towards the festival. We'd love you to join us for entertainment by Dale Diamond and popular band The Boatmen. Delicious Cake, tea and coffee and fantastic raffle prizes will be available on the day.

Look out for more information about the festival and the coffee morning in later editions of Discovering Whittlesea, follow us on Facebook, **Whittlesey Festival 2025** or visit our website [www.whittleseyfestival.co.uk](http://www.whittleseyfestival.co.uk)
