

# FENLAND BUS SHOW 2025

Following the cancellation of BusFest in Whittlesey earlier this year, I am writing to you with excitement to announce the launch of a new event – **The Fenland Bus Show!**

This initiative stems from a collective effort by a group of original BusFest organisers, passionate bus enthusiasts, and dedicated bus owners. We are committed to bringing back a premier bus event to Whittlesey and fostering a love for these historic vehicles within our community.

**The Fenland Bus Show** is scheduled for **Saturday, June 8th, 2025**. We are already generating significant interest, with confirmed attendance from eleven bus owners in just the last three weeks. These buses hail from various locations across the country, promising a diverse and captivating display for visitors.

**The Fenland Bus Show** is designed to be a unique and inclusive event for all ages. We plan to incorporate innovative ideas that will ensure it becomes a major attraction, drawing crowds from beyond Whittlesey. This influx of visitors will undoubtedly translate into increased business for our local shops and restaurants, boosting the town's economy.

We are confident that **The Fenland Bus Show** will be a valuable addition to Whittlesey's events calendar and look forward to collaborating with the town council to make it a resounding success. We will be happy to discuss this further with you at your earliest convenience.

[Matt Page. On Behalf of The Fenland Bus Show Team]
