## WorkWell Fenland Team

Dear members and colleagues,

The WorkWell Fenland team is seeing some heartwarming and inspiring results with the people it supports – and would love your help to spread the word.

The Fenland District Council WorkWell Fenland team provides free one-to-one personalised coaching to people who are struggling to work due to their physical or mental health.

This involves phone chats where a coach spends time listening to what's going on for the individual and signposting them to support. Then they check in to see how it's all going and can offer further suggestions and encouragement.

The team gets amazing feedback from individuals who say accessing WorkWell helped them to start looking for work, return to work after sick leave or make changes in their lives to step closer to being work ready.

Please consider telling your Fenland connections about WorkWell so that they, or someone they know, can get in touch if they would find it useful.

A great way you can do this is by sharing, on your personal or business social media accounts, one of our posts about WorkWell. You'll find a recent one here:

WorkWell Fenland is a free Government-backed programme being delivered by Fenland District Council. It's part of a wider scheme available to anyone living in Cambridgeshire and Peterborough. It's supported by NHS Cambridgeshire & Peterborough Integrated Care Board (ICB) with funding from the Department of Work and Pensions and is delivered in partnership with local organisations.

You can find out more about Fenland's scheme at: [www.fenland.gov.uk/WorkWell](http://www.fenland.gov.uk/WorkWell)

Many thanks for giving this your consideration,

WorkWell Fenland team
