

The More Muzic Radio The Community Awards! 2026

At **More Muzic Radio**, we love celebrating the amazing people who make our community so special. Whether you're from the town or one of the nearby villages, there are lots of folks who go above and beyond—helping others, supporting local causes, and making a real difference. They deserve to be recognised!

That's why we're hosting the **More Muzic Radio Community Awards Evening**—a night dedicated to honouring those who make a positive impact every day. The awards will be presented on the evening of the event, making it a memorable celebration for all our community heroes.

Nominations open 1st December 2025 and close 31st January 2026! Know someone who deserves a shout-out? A neighbour, volunteer, teacher, or local champion? Let us know!

And the best part—you get to choose the winners! After nominations close, public voting will help us celebrate our community heroes.

Keep an eye out for details on how to nominate and vote — let's come together to celebrate the heart of our community!

The
