# LIGHT UP THE TOWN

Join us for two **FREE** nights of light and colour celebrating the local environment

Be immersed in this striking visual journey into the hidden world of water. **Water Portals** is an **artwork and video game** by Suffolk artist Henry Driver, inspired by the microbes that live in our rivers, lakes and sea. Explore how these microbes are at risk from climate change, play nature inspired video games, and get hands on with projection art workshops.

 **Friday 6 and Saturday 7 Feb**

 **5 - 8pm**, drop in any time

 **St Mary's Church, Whittlesey**,  
6 Manor View, PE7 1TF

 **Free**, no booking required

 **Suitable for all ages**

Get dressed up and join us for a **community light walk** along the heritage trail. Whether you're wearing fairy lights, a fluorescent outfit, glowing accessories or bringing a dog decked out in lights - everyone is welcome. Come and light up the town with us!

 **Friday 6 February only**

 **6pm start**, the route is a 1 km walk which takes roughly 1 hour

 **Meet at The Buttercross, Whittlesey**, PE7 1AF and ending at St Mary's Church

 **Free**, no booking required

 **Suitable for all ages and abilities** - step free route
