

The What's On Guide for Whittlesey & The Villages

2026

The 2026 What's On Guide

Welcome to the Radio Fenland 2026 What's On Guide to events in Whittlesey and the Villages .

There are many wonderful organisations in our community led by some fantastic volunteers striving to do their best for us all.

Please support as many of these events as possible. We know during the year new events will be created and we welcome them to contact me.

By creating this edition we hope to give as much publicity to events that often take months to plan.

I would like to thank those event organisers who have submitted dates and details . The beauty of this online flip book is that we can update its contents as we receive more information, therefore if there are any inaccuracies or additions then please drop me a message to studio@radiofenland.com . As long as you have this link any updates will automatically update your version.

Photographs unless mentioned otherwise have been supplied by RWT Photography.
