### **Environmental Health**

The Environmental Health Team have been very busy in the town of Whittlesey and the surrounding villages over the past month.

Our Food Safety inspections totalled 11 with most gaining a 5 Rating which is the highest food safety management score that can be achieved. Food Safety inspections look at the food business operator's food safety management, their cleaning regime and the confidence the inspector has in the food business operator's ability to produce food which is safe to eat.

A total of 7 planning applications were received for the Whittlesey area where the Environmental Health Team have to determine any likely impact on local residents from the proposed development.

Our Environmental Health Officers have also been working on the Fens Reservoir Project with regular internal and stakeholder meetings.

## Whittlesey Town Council Update

**December 2025**

In relation to complaint investigations Environmental Health received 12 requests for service.

These included 6 complaints relating to commercial noise, dust, and odour, 5 complaints relating to Noise from amplified music, pest control issues and dogs barking and 1 complaint relating to Anti-Social Behaviour.

Anti-Social behaviour complaints are often investigated by joint working with Cambs Police, to resolve the issues at the earliest opportunity. This has proved to be very successful and prevents escalation of a complaint.

### Tidy Fenland - Fly Tipping

Month	Total	Chatteris	March	Whittlesey	Wisbech	Villages
<b>December - 25</b>	101	1	17	5	49	29 (none for our villages)

Some of our proactive work this month has seen 2 Fixed Penalty Notices issued to those we believe were responsible for waste found dumped in Whittlesey. To date these remain unpaid and as a result the Council will prepare these for prosecution.

### Abandoned and Nuisance vehicles.

7 out of the 27 reported vehicles being abandoned this month were for Whittlesey and all were visited and inspected. We removed a burnt-out car on Turningtree Road, and an unregistered vehicle in a private car parking space in Cornflower Close. We reported a car and a truck for being parked on the Highway with no current road tax to the DVLA. A trailer left in a layby on Turningtree Road was removed by persons unknown and 2 cars were later removed by the owners after we issued Notices.

### Markets and Fairs.

The fair has confirmed it will next attend on 25<sup>th</sup> March 2026 and leave on 29<sup>th</sup> March 2026

### Open Spaces – Whittlesey

December 2025

As the Tivoli team operates at 50% capacity during the winter months, resources are stretched across the district. The primary focus has been on maintaining hedges, shrubs, hard surfaces, and play areas.

As we approach the end of 2025, we reflect on the year's progress. Overall, it has been a very positive year, with favourable weather significantly contributing to a reduction in complaints.

Work completed in December includes:

- Repair to play equipment at Burdett
- Clearance of vegetation on wall in Garden of Rest
- Clearance of perimeter wall at St Mary Churchyard
- Sever ivy in Queen Street car Park
- Cut down mile a minute in Whittlesey Cemetery

Coming soon:

- Repair to play equipment at Manor
- Tree work in Snowley Park
