Dear Town Council,

**Re: Preliminary Inquiry –**

**WHITTLESEY DELPH, WEST DELPH, WHITTLESEY, PETERBOROUGH, PE7 1RG**

**NGR: E: 526995, N: 297725**

The Wireless Infrastructure Group Limited (WIG) is an independent, pioneering wireless infrastructure operator and the UK market leader for neutral host connectivity solutions. WIG have invested in over 3,300 shared wireless infrastructure facilities since our launch in 2007.

As the UK's longest standing independent tower and neutral host operator, WIG has extensive experience in managing the co-location of multiple networks on our infrastructure. Every project is designed to ensure it can support all the UK's mobile operators as well as other networks that may need access. WIG focus on sustainable infrastructure meaning they are interested in the long-term and we create solutions that can support demand as it grows and new technologies as they emerge. WIG experience is unmatched in the UK with an average WIG asset hosting in excess of three network customers.

Wireless Infrastructure Group Limited are in the process of upgrading a number of sites in the UK. This upgrade process will primarily involve swapping existing equipment and replacing this with similar new apparatus however, this is site specific.

The purpose of this letter is to consult with you and seek your views on our proposal before proceeding with the works. We understand that you are not always able to provide site specific comments, however, WIG are committed to consultation with communities on our mobile telecommunications proposals and as such would encourage you to respond.

If you have any comments prior to this minor upgrade development submission, we look forward to receiving these.

Yours faithfully,

A handwritten signature in blue ink that reads 'Guy de Rose'.
