

# PLAY AREA BROCHURE

All prices listed are approximations and show a breakdown of equipment, installation and surfacing. There are various options for surfacing, however, only a selection have been shown above.

All prices assume installation into grass,

Please note the costs shown do not include freight, ground excavation if necessary, disposal of waste from site, site setup & site assessment, security, welfare facilities or post inspection cert.

It is likely that indicated costs will cover the bulk of all costs, but the additions above, if required will add further cost.
