Street Scene report- Circulated Via email.

CCTV update: It was previously advised that quarterly CCTV reports would recommence from April 2026. However, because these are provided on a quarterly basis, the next update will be issued in July 2026 rather than April.

This follows the upgrade and replacement of our CCTV hardware and software systems in September 2025. During that period, all partner councils were advised that reporting would be paused while we completed the migration and integration to the new CCTV management platform, to ensure data accuracy and stability going forward.

Now that the system is fully embedded, reporting will resume as planned on the agreed quarterly cycle.
