Dear Sir/Madam,

Town and Country Planning Act 1990

**Proposal:** Section 73A planning application to continue the importation of controlled inert wastes for the buttressing, stabilisation and restoration of a former mineral extraction face together with an associated waste reception area.

**Informative:** Section 73 planning application to vary condition 6 (Temporary Duration of Permission) of planning permission CCC/25/006/VAR to amend the timescale for the completion of the importation of restoration soils by 1<sup>st</sup> August 2027 and for the **completion of the restoration of the eastern buttress by 31<sup>st</sup> March 2028.**

The importation and deposit of waste fill material has now ceased.

**Application No:** CCC/26/058/VAR  
**Location:** New Saxon Works, Peterborough Road, Whittlesey, Peterborough, PE7 1PD

We previously consulted you about the planning application described above and/or you have made comments on it.

The applicant has now submitted a revised Planning Statement (Revision 1 – dated June 2026 ref. EMWM.P1B\_S73A) which notes that the extension of time sought is longer than previously stated, this is reflected in the change to the informative highlighted in red text above.

The applicant has also submitted copies of the existing approved documents: “Proposed Restoration Scheme Following Completion of Infilling and Stabilisation” and “Saxon Pit-1-1007B Restoration Plan Appendix E, dated 06.03.2020”, these are for reference only.

All of the existing and new submissions can be found on our website using the following link <https://planning.cambridgeshire.gov.uk> by entering the relevant application reference number. You will need to tick the box to agree to the copyright notice in order to download and view the documents.

If you wish to change your original comments or make new comments, then please submit them by 21 July 2026, by registering to use our public access system on the webpages detailed above. Alternatively, you can submit comments in writing or by email to the address at the top of this letter. It may not be possible to take late comments into consideration in determining the application.

Please note that all previous comments submitted will still be considered when the application is being determined and so you do not need to resend them.

If after viewing the new documents you have any questions, please contact the case officer, on the telephone number at the top of this letter.

Yours faithfully,

Deborah Jeakins  
Business Manager, County Planning, Minerals and Waste

NOTE: - Consideration of the development may take place in public and representations may be published. The proposal may be considered by the Council's Planning Committee (only comments relating to planning issues will be taken into account when reaching a decision).

The Town and Country Planning Act 1990 as amended requires the determination of planning applications to be a public process. The Council may need to make information submitted in relation to planning applications available for public inspection and so it is not possible to take into account in the determination of the application any comments which are submitted confidentially. If you do submit any comments regarding this application, your comments as well as your name and postal address may be disclosed to third parties including those who have submitted the planning application.

Cambridgeshire County Council is a data controller for the purposes of the General Data Protection Regulation (Regulation (EU) 2016/679 of the European Parliament and of the Council dated 27th April 2016). For more details on how the Council will handle your personal information, please use the link below to access our Privacy Notice. Hard copies of this can also be provided on request.
