

Zoom event for older adults

Friday 6 November • 2.30pm • Register by Monday 2 November

The Winter Journey

Scott Polar Museum

Kat Murphy

Learning and Public
Engagement Coordinator,
Polar Museum

Join us for the story of the
Winter Journey, using
images from our
collections to tell the
incredible tale of the worst
journey imaginable to
collect emperor penguin eggs in the dark of Antarctic winter.

We will also have a brief overview of the Scott Polar Research
Institution and the range of activities that happen there.

Watercolour of Lieut. Henry Bowers, Dr
Edward Wilson and Mr Apsley Cherry-Garrard,
beside their sledge, just before starting for
their Winter journey to Cape Crozier

You may register by phoning COPE on **01223 364303** or by email
at **copetalkingtogether@hotmail.com**

Please provide your name and email address **by Monday 2
November.**

You will be sent the Zoom link for the meeting the day before.

Zoom event for older adults

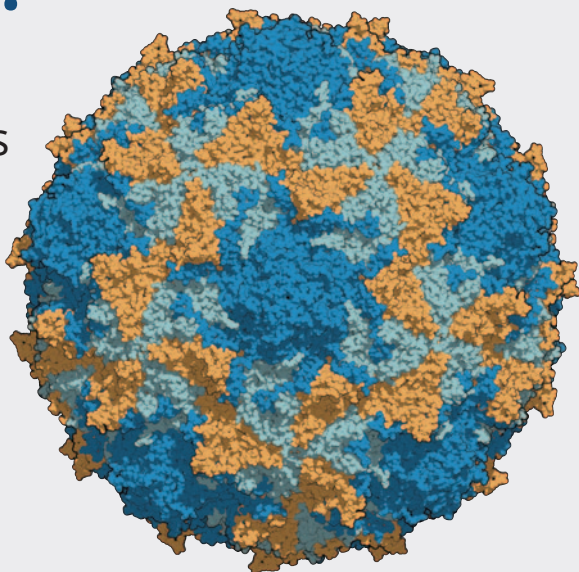

Thursday 19 November • 2pm • Register by Friday 13 November

Going viral!

Polio disease history
and eradication hopes
via vaccination.

Dr Anne Bishop PhD |
Research Biologist and
Science Communicator
based in Nottingham,
specialising in the science
of infectious diseases.

Join this unique presentation
and discussion around the global
attempt to eradicate polio using
vaccination, polio-related local and international history and
ongoing support for polio survivors in the UK.

Poliovirus structure
