

Friends Of The Manor – AGM & Meeting
The Manor Centre Whittlesey Tuesday 10th November

18 in attendance, including Cllrs Nawaz, Bibb, Wainwright and Gerstner.
FDC Cllr Count portfolio holder also in attendance.

The AGM re-elected the current officers to the committee, there were no other nominations.

Eamonn Dorling Treasurer. Robin Sutton Chair. Julie Windle Secretary. Robert Windle Vice Chair.

The Manor Centre upgrade – update by Cllr Steve Count, informed that FDC Cabinet and officers were waiting for the 'Independent' review/report on the 'Value-For-Money' aspect of the proposed complete rebuild.
It is expected that this report will go to the FDC Cabinet for the 12th December meeting, the Cabinet will decide either to go ahead or not, their decision/proposal will probably then be put to the full FDC Council meeting which follows later in the afternoon of the 12th December.

About a week before – Cabinet papers will be published and in the public domain, this will set out the various options and proposals.

The other main topic was for a 'Pathway @ The Manor' – for quite considerable time (Park Run) have requested a better surface on which they and others (walkers) can carry out their Saturday event. Various options have been investigated previously and costed.
Below an indicative proposal – A Sub-committee was formed to investigate further.
